FROM: Tammy Vaillancourt, EMPG Manager
Richard Verville, HazMit Grant Manager
Homeland Security and Emergency Management

TO: Chairman, Board of Selectmen; Emergency Management Directors

SUBJECT: HSEM & FEMA Grant Workshops

The New Hampshire Department of Safety, Division of Homeland Security and Emergency Management (HSEM) will be presenting grant workshops through out the State during the coming months. These workshops will focus on grant guidance and application preparation for the Emergency Management Performance Grant (EMPG) and various Hazard Mitigation Grants. Additional details will be provided on the federal hazard mitigation assistance programs to include eligible projects and specific grant writing techniques and criteria. The hazard mitigation programs to be focused on will be Pre-disaster Mitigation Competitive grant (PDMc), Flood Mitigation Assistance (FMA), Repetitive Flood Claim (RFC) and Severe Repetitive Loss (SRL).

HSEM recommends attendance by any community official who will be responsible for submitting for and managing any of the above mentioned grants. Please feel free to attend any workshops listed below. The workshop content is based on the grant program guidelines and is not county specific.

If you have any questions, please call your HSEM Field Representative at 1-800-852-3792.
